CRS: 22-33-104: Each child participating in a non-public home-based program shall be evaluated when such child reaches grades 3, 5, 7, 9, and 11. Each child shall be given a nationally standardized achievement test to evaluate the child's academic progress, or a qualified person shall evaluate the child's academic progress. The test or evaluation results, whichever is appropriate, shall be submitted to the school district that received the notification required by paragraph (e) of this subsection (3) or an independent or parochial school within the state of Colorado. If the test or evaluation results are submitted to an independent or parochial school, the name of such school shall be provided to the school district that received the notification required by paragraph (e) of this subsection (3)
